LAND ACKNOWLEDGEMENT - We, the Municipality of Red Lake acknowledge that our foundation and the spaces in which we live and maintain are on the lands of the Anishinaapek of Red Lake; the traditional lands of Lac Seul and Wabauskang First Nations, and Treaty 3 territory. As we are all Treaty people, we will continue to cherish the reciprocity of all our relationships on these sacred Lands and Waters.

Building this Spring?

Construction season is fast approaching! Depending on the development being considered, approval of a planning application may be required in order to obtain a building permit.

The timeframe required for circulation and review of a planning application is a minimum of 2 months. If you are considering to renovate, build or have a development project planned for the 2024 year, it is recommended that you submit your application early.

If you have any questions please contact the Planning Department at 735-2096.

Building Permit Applications

RSM Building Consultants Inc. issue building permits and enforce the Building Code for the Municipality of Red Lake. These services are provided to residents and builders remotely and offer the convenience of allowing building permit applications to be completed online through the online software service – Cloudpermit.

Cloudpermit allows you to apply for and check the status of your building permit application anywhere, at any time. You can start an application and finish it later, receive email updates on the status of your permit application and event request building inspections. Find more information on the municipal website: <https://www.redlake.ca/business-and-development/building-and-renovating/building-permits/>

To prevent delays, apply early to ensure you have all the required documents. Be mindful and ensure that your building materials meet the Ontario Building Code standards, particularly if you are purchasing materials outside of Ontario.

If you have any questions regarding Building Permits or Building Inspections please email info@rsmbuildingconsultants.com or call (519) 496-1434.

Does your project require a dig?

You must contact Ontario One Call BEFORE YOU DIG to request a locate – even for small projects. More information at <https://ontarioonecall.ca>
