LAND ACKNOWLEDGEMENT - We, the Municipality of Red Lake acknowledge that our foundation and the spaces in which we live and maintain are on the lands of the Anishinaabek of Red Lake; the traditional lands of Lac Seul and Wabauskang First Nations, and Treaty 3 territory. As we are all Treaty people, we will continue to cherish the reciprocity of all our relationships on these sacred Lands and Waters.

Be Bear Wise!

Bears are beginning to come out of hibernation. We would like to remind residents that the Feeding of Wildlife By-Law states that no person shall feed or make available food attractants or other substances for the consumption of wildlife. In order to minimize wildlife encounters residents must ensure all attractants such as food products/scraps, garbage, pet food and bird seed is properly stored and all waste is to be placed at the curb in the morning of pickup (not the night before).

The Municipality is responsible for enforcing the Feed of Wildlife By-Law. The MNRF and the Red Lake OPP work collectively with our By-Law Enforcement Officer to ensure the safety of our residents as it relates to wildlife encounters, including bear encounters.

For emergency situations - if the bear poses immediate threat to public safety by exhibiting threatening or aggressive behaviour, call 911.

For non-emergency encounters – to report a bear or for information call the Bear Wise reporting line at 1-866-514-2327. You will be connected to an operator during bear season (April 1st to November 30th). Visit www.ontario.ca/bearwise for more information.

House Numbers

As residents begin their spring cleaning outdoors, it's a great opportunity to ensure your house or lot number is clearly visible. A properly displayed address is essential for emergency personnel to quickly locate your property in the event of an emergency.
