4. Why did I not receive a Voter Information Letter in the mail?

There could be a number of reasons, for example:

- Your name was not on the Voters' List before the Voter Information Letters were mailed.

Reasons for this might be that:

- You are new to town; or
- You have moved within the municipality since the last Municipal Election in 2018 and your new address has not been updated on the Voters' List.
- Your Voter Information Letter was mailed, but it came back to the Municipal Office as returned mail because we do not have your current mailing address on the Voters' List.

If any of these circumstances apply, please visit or contact the Municipal Office.

5. What if I am out of town for an extended period and will not be able to access my Voter Information Letter from my mailbox? Can I still vote?

Yes, you can still vote. After the first week of October 2022 up until October 24, 2022 prior to 8:00 p.m., visit or contact the Municipal Office and we will re-issue you a replacement Voter Information Letter with a new PIN (the PIN on the original Voter Information Letter will be void).
