Project: Professional Land Survey Services**

**ADDENDUM #12-2025-001**

This addendum forms part of the RFQ package and amends the original Request for Quotation issued on May 9, 2025.

Q1: [Will] the work for all six sites will be awarded at the same time, which would allow us to potentially complete all the fieldwork in a single mobilization. Or should we account for the possibility of mobilizing separately for each site in case the plan is to award the work individually?

**A1: The Municipality's intention is to award all six sites at one time to one proponent.**

Q2: Would the municipality accept \$2,000,000, considering there is no construction involved in this project?

**A2: Yes, \$2,000,000 general liability insurance will be accepted for the work resulting from this RFQ.**
