PART 1 – INVITATION AND SUBMISSION INSTRUCTIONS

1.1 Introduction

The Municipality of Red Lake is a vibrant and resource-rich community located in Northwestern Ontario, approximately 535 kilometres (332 mi) northwest of Thunder Bay and 455 kilometres northeast of Winnipeg, MB. Known as the ‘Gateway to the Woodland Caribou Provincial Park’, Red Lake is a remote but thriving municipality that serves as the commercial and service hub for the region.

Red Lake is home to 4,107 people (Canada 2021 Census), a diverse population and a strong economic base, primarily driven by the mining, forestry and tourism industries. The municipality includes the communities of Balmertown, Cochenour, Madsen, McKenzie Island, Red Lake, and Starratt-Olsen. Its strategic location in the Canadian Shield provides unique opportunities and challenges in infrastructure development, transportation, and service delivery.

1.2 Invitation to Respondents

This Request for Quotation (the “RFQ”) is an invitation by the Corporation of the Municipality of Red Lake (the “Municipality”) to prospective respondents to submit non-binding Quotations for **Pagers for the Fire Department**, which may include pricing, qualifications, and other requested information, as further described in Section A of the RFQ Particulars (Part 4) (the “Deliverables”).

By submitting a Quotation, a respondent acknowledges that their submission is in response to the RFQ, but it does not create a binding contract unless a formal agreement is executed by both parties.

The Municipality’s intention is to enter into an agreement with the successful respondent following the completion of the RFQ process. However, the Municipality reserves the right to cancel this process at any time, or to elect not to award a contract, without liability.

This RFQ is issued in accordance with the Municipality’s Procurement By-law and applicable trade agreements, including the Canadian Free Trade Agreement (CFTA) and the Canada-European Union Comprehensive Economic and Trade Agreement (CETA).

1.3 RFQ Contact

For the purposes of this procurement process, the “RFQ Contact” will be:

Heather Weese, Procurement & Resource Planning Specialist
procurement@redlake.ca

Respondents and their representatives are not permitted to contact any employees, officers, agents, elected or appointed officials or other representatives of the Municipality, other than the RFQ Contact,

Pagers for Fire Department

concerning matters regarding this RFQ. Failure to adhere to this rule may result in the disqualification of the respondent and the rejection of the respondent's Quotation.

1.4 Type of Contract for Deliverables

The selected respondent will be requested to enter into an agreement by way of purchase order for the provision of the Deliverables. It is the Municipality's intention to enter into a contract with only (1) legal entity.

1.5 RFQ Timeline

Issue Date of RFQ:	Friday, May 9, 2025
Deadline for Questions:	Friday, May 23, 2025
Deadline for Issuing Addenda:	Thursday, May 29, 2025
Submission Deadline:	Wednesday, June 4, 2025 at 2:00pm CST

The RFQ timetable is tentative only and may be changed by the Municipality at any time. Any changes to the timeline will be communicated via addenda.

1.6 Submission of Quotations

All Quotations must be submitted in the following method:

- **Electronically:** Via the Municipality's official procurement portal at www.redlake.ca/
 - Electronic submissions must be received prior to 2:00pm local time (Central Standard Time) on the closing date.
 - Quotations shall be submitted in PDF format where feasible to ensure compatibility and document integrity.

Late Quotations will not be accepted or considered under any circumstances. The Municipal office clock determines the official closing time of the Quotation Call.

1.7 Amendment of Quotations

Updated Quotations may only be submitted prior to the submission deadline as specified in Section 1.5. Updated Quotations after this deadline will not be accepted.

If a respondent wishes to amend a previously submitted Quotation, they must submit a complete updated Quotation via the designated submission portal on the Municipality website. The latest submission will be considered the official Quotation, and all prior versions will be disregarded.

Pagers for Fire Department

1.8 Withdrawal of Quotations

At any time throughout the RFQ process, until the submission deadline, a respondent may withdraw a submitted Quotation. To withdraw a Quotation, a notice of withdrawal must be sent to the RFQ Contact and must be signed by an authorized representative of the respondent.

While there are no penalties for withdrawing after the submission deadline, failing to honour a Quotation may be seen as not acting in good faith. Respondents who fail to do so may be excluded from future procurement opportunities.

1.9 Opening of Quotations

An unofficial public opening of Quotations will take place at 2:00pm on the submission deadline. Respondents' names will be read aloud; Quotation amounts shall not be read aloud. The public opening is informational only and does not represent the evaluation or award process.

PART 2 – EVALUATION AND AWARD

2.1 Submission Review

The Municipality will evaluate Quotations based on compliance with the RFQ requirements and overall value to the Municipality. First, each submission will be reviewed to ensure it includes all required documents as specified in Part 4 (RFQ Particulars). Incomplete or non-compliant submissions may be disqualified.

The Municipality reserves the right to waive minor bid irregularities, such as minor clerical errors or omissions, at its sole discretion, provided these do not materially impact the evaluation process.

2.2 Compliance Assessment

The Municipality will then assess whether each Quotation meets the Deliverables and any applicable specifications outlined in Part 4. If necessary, the Municipality may request clarifications from respondents and will notify them in writing if such clarifications are needed before making a final determination.

2.3 Pricing Evaluation

Pricing will be evaluated based on the lowest total cost, calculated as the unit prices multiplied by estimated quantities, plus any one-time programming or service fees. While the lowest-priced Quotation may be selected, the Municipality reserves the right to consider additional factors such as delivery timelines, warranty terms, supplier reliability, and compliance with specifications when determining the best overall value.

2.4 Award Selection

The respondent offering the most advantageous Quotation will be selected for award, subject to the negotiation of final contract terms. The Municipality and the selected Respondent may negotiate minor contract details before finalizing the agreement.

2.5 Notification and Acceptance

The selected respondent will be notified in writing and must confirm acceptance within 7 business days of receiving the notification. If the respondent fails to do so, the Municipality may proceed with another respondent or cancel the RFQ.

2.6 Right to Reject Quotations

The Municipality reserves the right to reject any or all Quotations at its sole discretion. The Municipality's decision will be final unless challenged in accordance with applicable laws.

No such communications are to be directed to anyone other than the RFQ Contact. The Municipality is under no obligation to provide additional information, and the Municipality is not responsible for any information provided by or obtained from any source other than the RFQ Contact.

It is the responsibility of the respondent to seek clarification from the RFQ Contact on any matter it considers to be unclear. The Municipality is not responsible for any misunderstanding on the part of the respondent concerning this RFQ or its process.

CONFLICT OF INTEREST AND PROHIBITED CONDUCT

3.15 Conflict of Interest

A conflict of interest occurs when a respondent has an unfair advantage or engages in conduct that may compromise the integrity of the RFQ process. 3.16 Disclosure Requirements

Respondents must disclose any actual or perceived conflict of interest, such as personal or financial ties to a Municipal employee or official or any situation that may create the appearance of a conflict. If a conflict is identified after submission, the respondent must immediately notify the Municipality. Failure to disclose may result in disqualification or contract termination.

3.17 Disqualification for Conflict of Interest

The Municipality may disqualify a respondent for any conduct, situation or circumstances, determined by the Municipality, in its sole and absolute discretion, to constitute a Conflict of Interest as defined above.

3.18 Disqualification for Prohibited Conduct

Respondents must not engage in any unethical conduct, including lobbying, as described above, or other inappropriate communications; offering gifts to any employees, officers, agents, elected or appointed officials or other representatives of the Municipality; deceitfulness; submitting Quotations containing misrepresentations or other misleading or inaccurate information; or any other conduct that compromises or may be seen to compromise the competitive process provided for in this RFQ.

3.21 Past Performance or Past Conduct

The Municipality may prohibit a supplier from participating in a procurement process based on past performance or based on inappropriate conduct in a prior procurement process, including but not limited to the following:

- a) Illegal or unethical conduct as described above,
- b) The refusal of the supplier to honour its submitted pricing or other commitments; or,
- c) Any conduct, situation, or circumstance determined by the Municipality, in its sole and absolute discretion, to have constituted an undisclosed Conflict of Interest.

- b) Neither the respondent nor the Municipality will have the right to make any claims (in contract, tort, or otherwise) against the other with respect to the award of a contract, failure to award a contract or failure to honour a Quotation submitted in response to this RFQ.

3.25 No Contract Until Execution of Written Agreement

This RFQ process is intended to solicit non-binding Quotations for consideration by the Municipality and may result in an invitation by the Municipality to a respondent to enter into the Agreement. No legal relationship or obligation regarding the procurement of any good or service will be created between the respondent and the Municipality by this RFQ process until the execution of a written Agreement for the acquisition of such goods and/or services.

3.26 Non-binding Price Estimates

While the pricing information provided in Quotations will be non-binding prior to the execution of a written Agreement, such information will be assessed during the evaluation of the Quotations and the ranking of the respondents. Any inaccurate, misleading, or incomplete information, including withdrawn or altered pricing, could adversely impact any such evaluation or ranking or the decision of the Municipality to enter into an Agreement for the Deliverables.
