**Request for Quotation
Project: Pagers for Fire Department**

ADDENDUM #08-2025-001

This addendum forms part of the RFQ package and amends the original Request for Quotation issued on May 9, 2025.

Q1: Did you want us to quote a Minitor 7 programming base?

A1: No, quoting a Minitor 7 programming base is not necessary. Pagers should be pre-programmed by the dealer prior to delivery. The Municipality does not anticipate needing to make programming changes after delivery.

Q2: Should shipping costs be quoted, or should the Municipality's existing collect account with Courtesy Freight be utilized?

A2: To ensure consistency across all submissions, all pricing shall be quoted DDP Balmertown, Ontario (Fire Hall).
