Project: Engineering Consulting Services – New Landfill Site

Post Close Addendum 06-2025-004

Due to unforeseen circumstances that have further impacted the evaluation timeline, please be advised that the Municipality is extending the anticipated date for the selection of a successful Proponent for RFP 06-2025.

A recommendation is now expected to proceed to Council on September 15, 2025. This notice is for information purposes only. No contractual obligation shall arise until Council approval is obtained and a formal agreement or purchase order is issued.

We appreciate your continued interest and patience as we finalize the remaining steps in our process. A notification of results will be posted promptly once a decision has been made.

Thank you,

Heather Weese
