**Request for Proposal 07-2025
Project: Public Transit Feasibility Study**

Notification of Successful Proponent

Thank you to all proponents who submitted responses to RFP 07-2025 for the Public Transit Feasibility Study.

Following a thorough evaluation process based on the criteria and process outlined in the RFP, we are pleased to advise that WSP Canada Inc. has been identified as the successful proponent.

Although the bid document indicated that award would follow the July 21, 2025 Council meeting, it was determined that Council approval was not required based on the total contract value and the Municipality's procurement policy. As a result, the award was issued earlier than originally stated.

We appreciate the time and effort all proponents put into their submissions. We thank you for your interest in doing business with the Municipality and encourage all suppliers to respond to future opportunities.

Sincerely,

Heather Weese
Procurement & Resource Planning Specialist
Municipality of Red Lake
